STATEMENT OF FAITH:

We believe in the triune God which is God the Father, God the Son and God the Holy Spirit. We believe that God the Father is the creator of all. We believe in Jesus Christ the only divine son of God who was born of the Virgin Mary and that Jesus Christ when he walked on earth was fully human, fully divine. That while Jesus Christ walked on earth he set the example for all people. That Jesus Christ died on Calvary as the final sacrifice for all people, for all time, for all sins of each individual. We further believe that we are saved by grace, through faith in Jesus Christ. We believe in the Holy Spirit, the third person in the trinity who descended from heaven on Pentecost and continues to give comfort to all believers and assist us in giving praise to God the Father. We also believe that the Holy Spirit continues to make known to us the continuing revelation of God's will in our lives individually and collectively.

We believe in the Priesthood of all believers.

We believe in and wait for the second coming of Christ when he will come to receive unto himself, his own and to deliver them unto God the Father for all time where we will reign forever with God and all the Saints that went before us.

We believe that the Holy Bible is the divinely inspired word of God and that it is for our instruction, reproof and eduction for all things spiritual.

We believe in the Church Universal with Jesus Christ as the head of the Church and that we gather together as a testimony of our Faith as well as for instruction in all Christian endeavor and in the renewal and the deeping of our Faith. Christ is the groom of the Church. The Church is Christ bride and our faith is the wedding ring that binds us to Christ.

We welcome to our church the many who are new to the faith, and we welcome the old members who have returned to the church in the season of Lent. We believe in the power of the Holy Spirit and in the love of God for all people. We believe that the church is a community of faith, hope, and love, and that it is our duty to love one another as ourselves. We believe that the church is a place where we can find God's love and grace, and that it is our responsibility to share that love and grace with the world. We believe that the church is a place where we can grow in our faith and in our understanding of God's will for us. We believe that the church is a place where we can find the strength and courage to live our lives in obedience to God's commands. We believe that the church is a place where we can find the peace and comfort that only God can give. We believe that the church is a place where we can find the joy and happiness that only God can give.
